Nursing Management®

Index 31

Index to Volume 31, Numbers 1-12 (January-December 2000)

This index is arranged in two sections: the Subject section and the Author section. Subject headings are those used in the *Cumulative Index to Nursing and Allied Health Literature* (CINAHL), supplemented by the language style of *Nursing Management*. Some subjects have been combined. Feature articles are shown in bold type. An abbreviation in parentheses after the title indicates a special series of features or an editorial department (listed below). The month of issue and page number follow.

Abbreviations used in this index are:

AON = Ask AONE's Experts...
AS = AONE Special Section
CB = Communication Briefs
CC = Critical Care Section
CE = Continuing Education
CS = Career Scope
ED = Editorial
FIN = Financial Management
FF = Facts & Figures
FK = Finders, Keepers (in *R&R Report*)
GED = Guest Editorial
IC = Special Report: Infection Control
IT = Information Technology
JCA = Questions and Answers from the JCAHO
LC = Legal Checkpoints
LIF = Lifeline
LQ = Leading Questions & Sensible Solutions
LR = Last Round
LU = Special Report: Legal Update
MFT = Managers' Fast Track
NF = Notes from the Field
NMC = *Nursing Management* Congress
RQA = Recruitment Q & A
RRR = *Recruitment & Retention Report*
TP = Tips from Your Peers
TU = Technology Update

Documentation

Areas of informed consent & Teaching Guide. (CE) JUL: 20-25
Cruise to Compliance. APR: 18-21
Fast stats: Making history. (LR) JUL: 56
For the patient's sake, communicate! (CB) JAN: 49
Master five common medication administration questions. (JCA) AUG: 16-17
